The teams were Beacon Academy, Westmoreland Junior, and Grenada Junior Academy.

The Westmoreland team comprised of two Wings players, Tarik and Jelani Barnes, who have migrated to Grenada, and Kani Guy Renwick and Damian Otway.

The Westmoreland team which played unbeaten was coached by school coach, Anthony and assisted by former Wings coach, Simone Rossi Barnes.

Barnes is an ardent basketball player, fan and coach and expects to have some exchange competitions with the Wings Sports Club of Antigua, in the very near future.

# Wings hard-pressed in ABFA Girls U-15

The Wings U-15 Girls team has been struggling with lack of players since the beginning of final exams and the close of the CKHS for Summer vacation, over a week ago. Several of the players attend the CKHS.

Although, the team has been weathering the league with little breakage, the lack of players for the past 3 games has been slowly waning the enthusiasm of the other players.

In their latest outing, on Saturday, July 2, at Radio Range, Wings held strong although only 6 players, against the National Youth team, Benna Princesses to finish the half 2—0 in favour of the Princesses.

It was in the 2nd half, that the Wings could not stay afloat, and without their regular goalkeeper were unable to stop the 9—0 onslaught from the Princesses.
